CDBG**MANAGEMENT MEMORANDUM****Community Development Block Grant Program****Memorandum Number: 01-11****TO: All Eligible Jurisdictions and Interested Parties DATE: November 14, 2001****SUBJECT: Announcement of Changes in Representative Assignments in the Economic
Development Allocation****Purpose of this memo:**

This memo is to announce changes in regional assignments of the CDBG programs Economic Development Representatives. In order to support regional efforts in economic development and facilitate better customer service we are reorganizing our assignment areas into regions. The principal purpose of this change is to stabilize the turnover of ED representatives by county, based on grant load, as we currently are organized. And eliminate the disruption that these turnovers cause local jurisdictions. These new regions are organized to the greatest extent possible to facilitate regional economic development cooperation. These new regions will also allow ED representatives to maximize the productivity of their time spent traveling in the regions.

Representative	Counties
Jack Mahan	Del Norte, Humboldt, Mendocino, Lake, Colusa, Yolo, Napa, Solano
